Have you received any type of discipline as a police officer? ☐ yes ☐ no

---

All persons selected for employment by the West Virginia State Police in the Accelerated Cadet Program will be subject to a rigorous ten (10) week training program and subsequent field training after graduation. All cadets are required to reside at the Academy during this training period and must adhere to all rules and regulations of the West Virginia State Police. Applicants for the Accelerated Cadet Program are subject to the same testing procedures as the traditional Cadet program including, but not limited to: physical ability testing, interview, extensive background investigation, polygraph, psychological testing and medical physical.

I attest to the accuracy and truthfulness of the information provided and any misstatement of material facts will be grounds for disqualifying me from further consideration in the employment process, or grounds for discharge. I further understand consideration for employment is conditional upon the results of a reference check, and the State Police is authorized to investigate all statements made by me on the application, to contact former supervisors and references and to advise contacted persons they may respond to questions. I hereby release all such persons from any liability for damage resulting from such information.
